

Extraction Template for Intervention Reports

**Record id:**

**Complete citation:**

**Author affiliations, including discipline and institution:**

**Funding source(s) with grant #(s):**

**Citations to reports from the same parent study:**

**Citations to potentially relevant reports from the reference list:**

**Period of data collection:**

**Geographic location of study:**

**Index child condition(s):**

**Research purpose, questions, and/or hypotheses:**

**Study design:**

**Power analysis:**

**Comparability of groups:**

At baseline:

At end of study:

**Demographics of index children:**

N:

% Male:

% Female:

Age range:

Mean age:

Race/ethnicity (specify % each category):

Disease severity (any indicator):

Additional demographics, clinical information, non family-related descriptive findings:

**Demographics of mothers:**

N:

Age range:

Mean age:

Race/ethnicity (specify % each category):

Education:

Income:

Employment:  
Marital status:  
Additional demographics, clinical information, non family-related descriptive findings:

**Demographics of fathers:**

N:  
Age range:  
Mean age:  
Race/ethnicity (specify % each category):  
Education:  
Income:  
Employment:  
Marital status:  
Additional demographics, clinical information, non family-related descriptive findings:

**Other family members (specify sibling, grandmother, other):**

For each category specify:  
N:  
Age range:  
Mean age:  
Race/ethnicity (specify % each category):  
Education:  
Income:  
Employment:  
Marital status:  
Additional demographics, clinical information, non family-related descriptive findings:

**If relevant, other family or parent demographics:**

**Family structure:**

% 1-parent:  
% 2-parent:  
% other:

**Demographics of other study participants (e.g., providers):**

**Inclusion criteria:**

**Exclusion criteria:**

**Recruitment site(s):**

Inpatient setting  
Outpatient primary care setting  
Outpatient specialty care setting  
Home  
School  
Other (specify):

**Intervention site(s):**

Inpatient setting

Outpatient primary care setting  
Outpatient specialty care setting  
Home  
School  
Other (specify):

**CONSORT flow chart:**

Assessed for eligibility (n=)  
Excluded (n=)  
    Did not meet inclusion criteria (n=)  
    Refused to participate (n=)  
    Other reasons (n=)  
Randomized (n=)

Insert information for each intervention group

**Name group**

Allocated to group (n=)  
Received treatment (any dose, n=)  
Did not receive tx & reasons (received nothing at all, n=)  
Lost to F/U data collection regardless of whether received all, some, or none of tx & reasons (of n=)

**Name group**

Allocated to group (n=)  
Received treatment (any dose, n=)  
Did not receive tx & reasons (received nothing at all, n=)  
Lost to F/U data collection regardless of whether received all, some, or none of tx & reasons (of n=)

**Control group**

Allocated to group (n=)  
Lost to F/U data collection & reasons (n=)

**Theoretical foundation for intervention:**

**Intended dose of intervention:**

Intervention contacts: N=  
Frequency of contacts: N=  
Length of intervention contacts (in minutes or hours) =  
Duration of intervention delivery =

**Actual dose of intervention:**

Intervention contacts: N=  
Frequency of contacts: N=  
Length of intervention contacts (in minutes or hours) =  
Duration of intervention delivery =

**Description of content of each intervention:**

**Mode of delivery:**

Individual in person/Face-to-face  
Group in person/Face-to-face  
Telephone  
Mail  
Mass media  
Email  
Web-based delivery other than email  
Self-administered (tape recorder/CD/DVD, workbook)  
Other (specify):

**Target (to whom the intervention is delivered):**

Child only  
Parent(s) only  
Child and parent(s) separately  
Child and parent(s) together  
Child, parent (s), and other family members together  
Child, parent (s), and other family members separately  
Siblings only  
Child and sibling together  
Child and sibling separately  
Other (specify):

**Intervener(s), or person(s) delivering intervention:**

N for each discipline:  
Nurse (BSN, RN)  
Primary care provider (NP, PA, MD)  
Specialist physician  
Social worker  
Psychologist  
Physical therapist  
Speech therapist  
Other (specify):

**Control or comparison condition(s) description:**

**Tailored to subgroups or individuals** (Y/N; if Y, specify how tailored):

**Treatment fidelity** (assessed Y/N):

**Test of dose on intervention effects** (Y/N; if Y specify):

**Adverse effects of the intervention:** (Y/N; if Y specify):

**Data collection site:**

**Data Collection:**

**For each measure or technique:**

Name, citation, domains assessed:

Family member(s) responding:  
Timing of measure:

**Results:**

**Overall appraisal:**

**Primary reviewer & review date:**

**Secondary reviewer & review date:**
